SURAH AL-BAQARAH

(Verses no : 281 to 286)

281). Aur us din se daro, jabke tum Khuda ki huzoor mein laut kar jaaoge aur har shaks , apne amaal ka pura pura badla payega aur kisi ka kuch nuksaan na hoga.

282). Aye Mominon! Jab tum apas mein ek muqarar muddat tak , koi mayeen(karobaar/ saudah/ koi bhi kaam) ke liye laen daen(kharza) karne lago toh , isko likh liya karo, aur likhnewala tum mein kisi ka nuksaan na karey , balke insaaf se likhe. Likhnewala aisa likhey, jaisa isey Allah (swt) ne sikhaya hai, likhne se inkaar bhi na karey aur dastavez likhe, aur jo shaks kharz le, wahi (dastavez) ka mazmoon bolkar likhwaaye aur .Allah(swt) iska Maalik hai khauf karey aur zer-e-kharz mein se kuch kam na likhwaaye. Aur agar kharz lenewala beaqqal ya zaeef ho ya mazmoon likhwane ki khabiliyath na rakhtha ho toh , jo iska wali ho woh insaaf ke saath mazmoon likhwaaye aur apne mein se do(2) mardon ko (aise maamlon ki) gawah kar liya karo aur agar do(2) mard na ho toh ek mard aur do(2) auratein jin ko tum gawah pasand karo kaafi hai. Ke agar in mein se ek bhool jayegi toh dusri isey yaad diladegi; aur jab

gawaah (gawaahi ke liye) talab kiye jaayein toh inkaar na karein. Aur kharz , thoda ho ya bahuth, is (ki dastaveez)ki likhne lagane mein kaheli na karna. Yeh baat Khuda ke nazdeek nehayath qareen insaaf hai. Aur shahadath (gawaahi) ke liye bhi yeh bahuth durusth tareeqa hai. Issey tumhe kisi tarah ka shaque wa shuba bhi nahi padega. Haan agar saudah haathon haath ho jo tum apas mein lete dete ho toh agar (aise maamle ki) dastavez na likha toh tum par kuch gunah nahi . Aur jab khareed farokhth kiya karo toh bhi gawah kar liya karo aur katabi dastavez aur gawah (maamla karnewalon ka) kisi tarah nuksaan na karein. Agar tum(log) aisa karo toh yeh tumhare liye gunah ki baat hai. Aur Allah (swt) se daro aur (dekho ke) woh tumko (kisi gair baatein) sikhaate hai aur Khuda har cheez se waqeeef hai.

283). Aur agar tum safar par ho aur (dastavez) likhnewala mil na sake toh (koi cheez) rahen ya khabzah rakhkar (kharz le lo) aur agar koi kisi ko ameen samjhe , yaane rahen ke bagair kharza de de toh amantdaar ko chahiye ki saheb-e-amanath ki amanath ada kar de aur Khuda se jo iska parwardigaar hai darey. Aur dekhna shahadath ko mat chupana, jo isko chupayega woh dil ka gunhegaar hoga aur Allah(swt) , tumhare sab kaamon se waqeeef hai.

284). Jo kuch aasmaanon aur jo kuch zameen mein hai, sab Allah(swt) ka hi hai, tum apne logon ki baat ko zaahir karoge toh , ya chupaaoge toh , Allah(swt) tum se uska hisaab lega, phir woh jise chahe maghfirath karey aur jise chahey azaab de aur Allah (swt) har cheez par Qadeer hai.

285). Allah(swt) ke Rasool us kitaab par , jo inke parwardigaar ki taraf se inpar naazil hui hai , imaan rakte hai aur Momin bhi sab, Allah(swt) par aur Uske Farishton par , Uski kitaabon par aur Uske Paigamberon par imaan rakte hai (aur kahte hai ki) hum Uske paigamberon se , kisi mein kuch faraq nahi karte aur woh Allah(swt) se arz karte hai ki hum ne (tera hukum) suna aur qubool kiya. Aye Parwardigaar! Hum teri bakshish maangte hai aur teri hi taraf laut kar jana hai.

286). Allah (swt) kisi shaks ko uski taqat se zyadah takleef nahi deta, acha kaam karega toh isko inka faydaah milega, bure kaam karega toh isey inka nuksaan pahunchega. Aye Parwardigaar! Agar humse bhool ya chook ho gayi ho toh hum se mawaghza (naraaz) na kijiye. Aye parwardigaar ! Hum par aisa boj na daliye jaisa tu ne humse pahele logon par dala tha. Aye parwardigaar! Jitna boja uthaane ki hum mein taaqat nahi , uthna hamare sir par na rakhiye aur Aye Parwardigaar ,hamare gunaahon se darguzar kar aur hamein bakshde aur hum par rahem farma. Tu hi hamara Maalik hai aur humko kaafiron par gaalib farma!
